Mayor

ENTERED INTO LEGAL BOOK ON: December 20, 2002

ADDENDUM A TO RESOLUTION NO. 02-92**Concerning File No. 02-8-C**

The approval of the aforementioned Conditional Use, No. 02-8-C, is subject to the following conditions:

1. Compliance with all applicable Municipal Codes, Ordinances, Resolutions, Policies and procedures, in general, and with Ordinance No. 1443, as amended, in particular.
2. Site Plan approval shall not be official until and unless the Site Plan, as approved by Council and including all conditions of approval by Municipal Council, is filed with the Zoning Officer within ninety (90) days of action by Council.
3. Submission of a Performance Guarantee Improvement Bond in an amount of 100 percent of the cost of grading and erosion control required by Section 508 of Ordinance No. 1535, as amended, as estimated by the Municipal Engineer, and in a form acceptable to the Municipal Solicitor.
4. Applicant agrees to comply with the requirements of Ordinance No. 1016, concerning sidewalk construction and regulations, as located and approved by the Municipal Engineer.
5. Applicant agrees that after approval of the Conditional Use by Monroeville Council, and prior to the issuance of any Grading Permit or Building Permit, all drawings in the application submission shall be submitted to the Department of Community Development in a digital format, preferably AutoCad Version 14, and if not available, a DXF format is acceptable. No work shall be authorized to commence until this information is submitted.
6. Applicant agrees to comply with Resolution 00-30, the Monroeville Developer's Agreement, executing said agreement prior to the commencement of any work on the site, or the issuance of a Land Disturbance Permit, Building Permit or Zoning Permit.

ADDENDUM A TO RESOLUTION NO. 02-92
Concerning File No. 02-8-C
Page Two

- 7. Applicant agrees that no earth moving or other construction activities shall occur on site prior to the approval of the Final Subdivision Plan. Further, applicant stipulates that should there be any changes to the Site Plan or Subdivision Plan that results in changes the site preparation of the property, a revised conditional use application will be submitted for review by the Planning Commission and Council.
- 8. A cut and fill design prepared by a Registered Professional Engineer, that will address existing subsurface conditions of the site, specifications for completing and monitoring the proposed cut and fill activities, specifications for completing and monitoring the stability of the existing and proposed slopes, and an inventory of the kinds of fill materials proposed to be imported to the site. Authorization for the issuance of a Land Disturbance Permit shall not occur for the site until the design is reviewed and approved by the Municipal Engineer.
- 9. A Geotechnical Engineer shall be on site to monitor all cut and fill activities work performed on the site. Weekly reports shall be submitted to the Department of Community Development. That Geotechnical Engineer shall provide the Municipality of Monroeville with a final certification and acceptances of all fill work performed on the site upon completion of the project. The certification shall address the stability on the site and the placement and compaction of the fill material.
- 10. Applicant agrees to secure all necessary permits from the Department of Environmental Resources for encroachment in the wetlands. No Land Disturbance Permit shall be issued until a copy of the permit is submitted to the Department of Community Development, Municipality of Monroeville.
- 11. Applicant agrees that an Erosion and Sedimentation (E&S) Control Plan shall be submitted for the proposed grading work.
- 12. Compliance with the Municipal Engineer's requirements.
- 13. Compliance with the Fire Official's requirements.
