MARY FRANCIS THORN

Ms. Mary Francis Thorn came forward representing the Monroeville Public Library as the Vice President. She thanked everyone for their continued support of the library for its operations and programming for everything they are allowed to bring to the community. She thanked everyone who helped with the Fun Fest and the public works department for helping to set up and clearing everything. She indicated it was the smoothest setup they have ever had in the four years and they had 2,500 attendees. She felt it was a good outreach and community bonding event.

Ms. Thorn reported September is Love Your Library Month and she was there picking up books that morning. She stated they were having a Robot Petting Zoo and there were toddlers doing coding. She requested everyone consider making a donation to the library because during Love Your Library Month the Buncher Foundation is having a prorated matching grant to all the libraries that participate. She stated that would include any out right donation and they will prorate anything done as part of a fundraiser including going to the library, perusing the Book Nook or the donated books which can be purchased.

Ms. Thorn reported of two upcoming events this month; the first on September 17, 2022 which is the first installment of the Traveling Trivia Night from 7 to 9 p.m. She explained there are tables for \$20 per person, everyone can bring their own refreshments and it is a lot of fun. She referred to the Harry Potter Fans and reported the next Love Your Library Trivia Event will be in October at the Allegheny Valley Libraries. She reported they are having a Chili and More Event on September 25, 2022 and they will have raffle baskets. She encouraged everyone to support the library and reported it is one place in the community where everyone is welcome and encouraged to use it. She again thanked everyone for their support of the library.
